

VANDALISM AND UNSOCIAL BEHAVIOUR IN NORTH WOOTTON.

In recent months there has been an increase in vandalism and unsocial behaviour in North Wootton.

The bus shelter and notice board in Priory Lane has had at least two cases of vandalism on it. There have been numerous instances on North Wootton park including graffiti painting, arson and equipment damage.

The council have reported these events to the police and they have suggested that we continue to report any vandalism etc. to them as soon as they are seen.

There are two ways to do this.

By using the 101 telephone number.

By using this e-mail address :- www.norfolk.police.uk/contact-us/report-something which is probably the quickest way.

This link is also in the useful telephone numbers section on the right hand side.

So please if you see anything you are worried about please report it.
