

Wootton Park Association - News

Over the summer you may have spotted a few of the things that have been going on in the park, a new bridge was put in to replace one that was rotting over the dyke at the north west exit to the park. The car park overflow area has been cleared of brambles and general rubbish to make room for more cars. We are still looking for volunteers for the Green Gym events that allow these little projects to be completed.

You may had read in the local press or even seen evidence of it on the park. We have had a lot of vandalism on the park over the summer. This has ranged from graffiti on the skate board ramp to criminal damage on the pavilion. We have been actively trying to encourage the locals to report anything suspicious to the police.

We have found the easiest way to do this is by either ringing 101 or reporting this on the internet via:

www.norfolk.police.uk/contact-us/report-something

The more we as the community report this type of antisocial behavior the more chance we have that the police will take it seriously. So we implore you to be actively involved in trying to capture the culprits.

Date for your Calendar 22nd September 2017

General Quiz Night – 7:30pm South Wootton Village Hall

The 200 Club has been going a year now, at the last draw we had 85 members, so the first prize is now at £34.00. The more members the bigger the prizes. If you haven't joined yet please do, it's only £24.00 a year for 12 draws a year, some money goes to the park and the rest in prizes.

If you would like to join, please contact the clerk on **01553 671692** or email swpc@hotmail.co.uk and we can send you a form to complete.
