WOOTTON PARK

Picnic on the Park

Many thanks to everyone who came and supported our event on 3rd June to celebrate the Queens Platinum Jubilee. The weather was glorious and it was great to see so many people out enjoying themselves. Thanks goes to the Football Club for their help and support in various aspects of managing the event. Also to Companion Paws and Positive Paws Canine Training Academy for organising a fantastic fun dog show. We appreciate the time everyone gave who lent a hand in the preparation and volunteering on the day.

NORTH WOOTTON NEIGHBOURHOOD PLAN

Many thanks to everyone who completed the Neighbourhood Plan Survey back in March, we had 300 responses. It is clear that residents want the character and style of the village to remain the same and to retain as many footpaths, green corridors and access routes as possible. As part of the next stage of work we have the opportunity to include specific local green spaces, key view points and non-designated heritage assets into the plan to help protect them.

We are keen to have your input into this, so if you have a view or area of the village that you think should be protected please take a photo and send it to the Clerk by 15th July – if you would like some more information contact details are at the end of the newsletter.

The PC would also like to thank Nigel at Meadow Stores for collecting the paper copies of the surveys for us.

PRIORY LANE UPDATE – The Parish Council is in the process of purchasing the triangle of land behind the bus shelter on Priory Lane, we intend to keep it as a green space for the village to enjoy.

STREETLIGHTS - The scheme to replace the streetlamps to LED's is now complete. We are pleased that the lighting of the Parish is now much more energy efficient.

OVERHANGING TREES/HEDGES

At this time of year trees and hedges can often grow over your garden boundary and overhang onto public footpaths. Please be aware of this and trim back if necessary so that pedestrians, especially those with buggies or in wheelchairs can pass easily – thank you.

To report a faulty street light, please notify the Clerk as the Parish is responsible for their maintenance not Norfolk County Council. If you can provide the exact location, ie the house number which the street light is nearest this is very helpful. The Clerk's contact details are at the end of this newsletter.
